

Serial No. 10/825,473

Art Unit: 2181

IN THE DRAWINGS

Please replace drawings sheets 1 and 2 with the amended versions included herewith.

REMARKS

Claims 19 - 21 and 24 - 37 are pending in the present application. Claims 1 - 18, 22 and 23 are canceled by the present amendment, and claims 24 - 37 are newly added. Reconsideration of the application is respectfully requested.

Applicant notes with appreciation that in section 9 of the Office Action, the Examiner indicates that claims 19 - 21 are allowed.

In section 1 of the Office Action, claims 22 and 23 are rejected. Applicant is canceling claims 22 and 23, thus rendering moot the rejection thereof. Applicant respectfully requests that the Office withdraw the rejection of claims 22 and 23 presented in section 1 of the Office Action.

In section 2 of the Office Action, the drawings are objected to because several boxes do not have labels. Applicant is amending FIGS. 1 and 2 to include labels for each of the boxes. Withdrawal of the objection to the drawings is respectfully solicited.

In section 4 of the Office Action, claims 1 - 18, 21 and 22 are rejected under 35 U.S.C. 112, second paragraph. Applicants are canceling claims 1 - 18 and 22, and amending claim 21 to address this rejection. Applicant respectfully requests that the Office withdraw the rejection of claims 1 - 18, 21 and 22 presented in section 4 of the Office Action.

In section 6 of the Office Action, claims 22 and 23 are rejected. Applicant is canceling claims 22 and 23, thus rendering moot the rejection thereof. Applicant respectfully requests that the Office withdraw the rejection of claims 22 and 23 presented in section 6 of the Office Action.

In section 8 of the Office Action, claims 1 - 18 are rejected. Applicant is canceling claims 1 - 18, thus rendering moot the rejection thereof. Applicant respectfully requests that the Office withdraw the rejection of claims 1 - 18 presented in section 8 of the Office Action.

Applicant is adding claims 24 - 37 as dependents of claim 19. Claims 24 - 37 are based on claims 2 - 9 and 13 - 18, as originally filed, and therefore, no new matter is being added. Also, whereas claim 19 is allowed, claims 24 - 37, by virtue of their dependence on claim 19, are also in condition for allowance. A favorable consideration that also results in the allowance of claims 24 - 37 is earnestly solicited.

In view of the foregoing, Applicant respectfully submits that all claims presented in this application patentably distinguish over the prior art. Accordingly, Applicant respectfully requests favorable consideration and that this application be passed to allowance.

Respectfully submitted,

Date

12/6/06
